

Star Light Star bright,  
The first star I see tonight,

I wish I may, I wish I might...

...Have the wish I wish tonight!

I wish for the perfect dress...I wish for nails to die for...I wish for thick golden locks...I wish for smooth skin...I wish for no lumps or bumps...  
I wish for a fairytale night...I wish for a fairy godmother?!?!?

You look wonderful!  
Why don't you feel wonderful?  
Where is your fairy godmother?

Imagine how good it will feel now to be at a party, chatting, laughing, feeling great. The kids are in safe hands, you look fantastic, your favourite song is playing and everyone is up dancing...
