

There was a young lady
who lit up a cig

I don't know why she lit up a cig....

...perhaps she'll die!

This will be my last one...when I've finished this pack...when I come back off holiday...when I get pregnant...when the baby is born...in the new year...when I get my results...when I start my treatment...when I can't breath any more!

Do you REALLY want to stop smoking?

Imagine how good it will feel now to wake up each morning, breath deeply and be ready to enjoy your day. You get up, shower and go for your breakfast, you feel fit and healthy and you smile to yourself as you watch your grandchildren argue over who gets the free toy from the cereal box, you've got another in the cupboard...**Stop Smoking.**
